

Cable lube 1 l

Benefits

- Easy application.
- Gel consistency allows for both horizontal and vertical pulls.
- Anti-wear properties.
- Excellent friction reduction.
- Non-flammable.
- Little to no odour.
- Easy water clean up.
- Free from wax, grease or silicones that can cause cable blocking.

GENERAL INFORMATION

Description

BIZ'Lube is used to make cable and wire pulling easier thanks to friction reduction.

Technical details

Colour: transparent blue.
Physical form: Thixotropic liquid.

Advices

Optimum storage conditions are under cool, dry conditions. Ideal to store containers out of direct sunlight.

Application(s)

Wire pulling.

Instructions

1. For best performance and friction reduction, all areas where cable and conduit will touch should be lubricated.
2. Biz'Lube should be applied to the cable and spread evenly as the cable is pulled through the conduit.
3. Product can be applied through a squeeze bottle, sprayed, brush or wiped with hands.

LOGISTIC INFORMATION

Packaging

Carton box

Height (cm) : 24
Length (cm) : 8
Depth (cm) : 8
Net weight (kg) : 1
Gross weight (kg) : 1,2
